

European organ composition competition Dudelange

Stahlhuth-Jann organ (1912/2002; IV/78), Saint-Martin Dudelange

The «Dudelange European Organ Composition Competition» was selected as part of the FIMOD project «Discoveries and creations around the organ» by the program of Esch2022, European Capital of Culture. This **competition in 2 categories** based on **themes of Esch2022** is addressed at composers residing in one of the member countries of the European Union. It's an open competition **without pre-selection** and **without age limit**.

Category 1
Works for organ solo

Category 2
Works for organ and tape
